BIOSEC

BIODIVERSITY AND SECURITY

Environmental crime and interventionism

BIOSEC

BIODIVERSITY AND SECURITY

Just War?

Elshtain (2001, 2004) it appeals to notions of compassion/doing the right thing, but no decent way to do it

Embedded in the foundations of the international system (Zehfuss, 2012)

96 Elephants Campaign - WCS

Humans and Elephants

Heroes and Hope

Terror and Ivory

BIODIVERSITY AND SECURITY

Conclusion: Wildlife Crime and Militarizing

Conservation
BIOSEC

BIODIVERSITY AND SECURITY

Not just about militarization of conservation - extension of militarism and militarization in wider society

Drawing attention to violence against animals can act as a justificatory framework for greater degrees of violence against certain categories of people
